Key Features	Accessories	Dimensions
--------------	-------------	------------

Engineered in Germany
 Elegant SILGRANIT design impresses with its timeless, straight lined bowl geometry which will suit all types of kitchen products and worktops.

Durability
 SILGRANIT consists of 80% quartz sand (the hardest element of granite), which makes it unbeatably resilient, extremely durable, scratch proof, heat resistant, unbreakable and acid resistant.

Hygiene + Plus 
 A patented formula that acts as a shield against dirt and bacteria. This hygiene protection reduces bacteria growth by an average of 98%.

Maximum bowl size
 The small radii of 10mm allows for a large sink area and a modern, classy look.

High quality features with covered C-overflow and InFino drain system
 Elegantly integrated and extremely easy care
