

## Powerful

### Powerful technology for dependable results

High-Pressure micro-boiler provides pressure up to 5.0 bars, continuous steam output up to 35 g/min, and super steam boost up to 90 g/min.

### Improved ease-of-use with new iron head

A brand-new design offers a comfortable, lightweight ironing experience that's half the weight of a traditional steam iron.

### Convenience with results in a flash

A rapid 70-second heat-up time means your all-in-one device is ready when you need it, to get you out the door looking your absolute best in no time.

## Convenient

### Smart Protect Technology

Safe to use on all garments even the most delicate such as silk, with a technology requiring no settings.

### Flexible and convenient with smart removable base

The portable and lightweight base allows you to refresh any time, any place, for use on curtains, furniture, and more.

### Additional benefits: refreshes and sanitizes

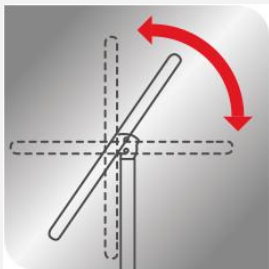

The intense power of steam kills up to 99.99% viruses, germs and bacteria, refreshing and removing odours for hygiene.

### Convenient thanks to included accessories

Included are handy accessories like the fabric brush, designed for thick fabrics, and a coat hanger to simplify your steaming sessions.

## Uniqueness

### Comfort and ease with built-in 3-Position Smart Board

Three upright and inclined positions with enhanced ergonomics offer greater ease and efficiency, with the ultimate convenience of a built-in steamer / iron design.
